

SCHOOL APPOINTMENTS FOR THE ENSUING YEAR

Until yesterday it was an open question as to whether it would be possible for teachers to get here in time to open the schools next week as planned. With trains again running out of Oakland, and with no interruption of the service east, it seems now that there will be no trouble for not opening the schools next Tuesday, September 2, and they will open at that time. Teachers will meet on Monday, September 1, at 10 a. m. to make plans for the opening the following day.

All teachers are employed subject to assignment of grade or subject taught as may be deemed best for the interests of the schools as a whole and all assignments are subject to change. At the present time the list of teachers and probable assignments is as follows:

Kindergarten—Miss Marian P. Phillips.

First Grade—Miss Irene Lamb.

First and Second—Miss Twomey.

Second Grade—Miss Ivy Cross.

Third Grade—Miss Rowena Lacque, Miss Ellen Sherrin.

Fourth Grade—Miss Myrtle Brown.

Miss Esther Curry.

Fifth Grade—Miss Schroeder.

Sixth and Sixth—Miss Sara Gooch.

Seventh and Eighth—Miss Brad-

ley, Miss Slavin.

English and History—Miss Ruth Murray.

Languages—Miss Jewett.

Mathematics, Penmanship and Drawing—Miss Mammie Sullivan.

Commercial and Allied Subjects—Miss Jacobson, Miss Katherine Murphy.

Domestic Art and Science—Miss Blanche Winham.

Manual and Physical Training—Mr. Victor W. Jones, Miss Katherine Swart.

Music and Drawing—Mrs. H. T. Hobson.

Principal Mining School—E. R. Bennett.

In line with the announced policy of the board, graduates of the Nevada State Normal were given preference in filling vacancies in the grades and graduates of the University of Nevada were given preference in filling vacancies in the high school. For many vacancies the appointment committee of the university were unable to name suitable candidates and these places were filled by electing teachers from without the state.

Concerning the teachers coming to Tonopah this year for the first time the following is taken from the records on file with the board:

Miss Marian P. Phillips is a graduate of Miss Barnard's Kindergarten Training school of Berkeley, and comes highly recommended for the work she is to do.

Miss Mildred Twomey graduated last May from the Nevada State Normal.

Miss Myrtle Brown is a graduate of the Nevada State Normal and of the University of Nevada and has taught several years in the schools of Nevada.

Miss Esther Curry is a graduate of the University of Arizona and has been teaching in Nogales, Ariz.

Miss Ruby Schroeder is a graduate of the Valley City, N. D. State Normal School. Miss Schroeder taught last year in Phoenix, Ariz., and previous to that served several years as principal of a large ward school in The Dalles, Oregon.

Miss Sara Gooch is a graduate of the Colorado Teachers' College and has taught a number of years in La Junta and Idaho Springs, Colo.

Miss Mattie Nesbitt is a graduate of the Nevada State Normal School and has taught several years in Goldfield and Las Vegas.

Miss Ruth Murray is a graduate of the University of Nevada and she has just completed the work required for her Master's degree in the University of California. Her teaching experience has been in the schools of Dayton and Reno, Nev.

Mr. Jones is a graduate of the Colorado Teachers' College. Since retiring from war service, where he was placed at the work of repairing and building airplanes, he has been draughtsman in the employ of the Denver Tramway company.

Miss Blanche Winham has had a strong course in Home Economics and was a successful teacher of the subject when the war broke out. She has just been released from the service of the United States.

Mrs. H. T. Hobson is a graduate of the Nye County Normal and of the Indianapolis Conservatory of

Music. Last year she taught music and drawing in the schools of Little Rock, Ark.

Miss Katherine Swart is a graduate of the Nye County Normal and of the Colorado Teachers' College. During her regular course at the latter institution and during several summer sessions since, Miss Swart specialized in Manual Training and Physical Training. She has taught at Wells, Nev., for the past four years.

Miss Katherine Murphy will be remembered as a popular Commercial teacher in the Tonopah schools until given leave of absence to work for the Red Cross in Paris.

The classes in the commercial department last year were so large that many subjects previously offered in that department could not be given. These subjects, together with instruction in Burroughs machine bookkeeping will be given again this year.

In order to comply with the state law regarding physical training, a slight change has been made in combinations of subjects taught. Instead of employing a teacher of manual training and one for physical training it was deemed wiser to have a man for the boys' classes in physical training and a woman for the girls' classes. These two teachers

will together take care of the manual training.

The number of teachers at the opening of the schools will be smaller by two than was decided upon last spring. These places will be left vacant until it is determined whether they will be needed or not.

**REASON WHY VILLA
MURDERS CHINESE**

(By Associated Press)

EL PASO, Tex., Aug. 29.—Agitation against the marrying of Chinese men and Mexican women is spreading in Sonora, Chihuahua and other west coast states of Mexico. This has long been a source of much ill-feeling against the Chinese as many have married Mexican women in the north. Villa gave this as his reason for killing many Chinese at the time of his campaign in 1917 and was justified with saying the Chinese were trying to make a "yellow race" of his people.
